ANGAJATUL LUNII - MARTIE DIANA GOLOMOZ, SALES EXECUTIVE

Diana s-a alaturat echipei de vanzari in septembrie 2007 si a devenit rapid un membru de nadejde al echipei.

La doar 24 de ani, Diana se remarca de departe printr-o prezenta eleganta, distinsa, plina de rafinament.

Este o persoana loiala si cu un simt justitiar extrem de dezvoltat. Isi ajuta si isi sprijina mereu colegile de departament si este oricand dispusa sa faca eforturi suplimentare pentru a termina un task mai repede sau pentru a veni in intampinarea unui client mai ingrijorat de evenimentul pe care-l va desfasura in hotel.

Este un om deosebit si un profesionist desavarsit. Dianei ii plac mult calatoriile, mai ales destinatiile in apropiere de mare sau de ocean.

Este pasionata de ciocolata amara, de fructe de orice fel si de moda.

BEST EMPLOYEE MARCH: DIANA GOLOMOZ, SALES EXECUTIVE

Diana joined the Howard Johnson Sales Team in September 2007 and quickly became a reliable team member.

At only 24 years-old, Diana stands out as an elegant, sophisticated and trendy presence. She is

loyal, with a powerful sense of justice. She is always helping her colleagues and constantly putting extra effort to get the job done faster or to work away all the worries a client might have regarding an event. She is an amazing person and a true professional. Diana likes traveling, especially to seaside and oceanside destinations.

She is in love with dark chocolate, fruit and fashion.

ANGAJATUL LUNII APRILIE: AURICA MANEA, COFETAR-PATISER

Doamna Manea lucreaza in departamentul de Patiserie al Howard Johnson din vara 2005, dar vechimea dumneaei in domeniu incepe inca din 1978.

Dupa cum ne povesteste si doamna Elena

Gogan, Sefa departamentului, "toata lumea din acel departament o iubeste pe mama Rica" pentru ca este o persoana devotata muncii care ajuta pe toata lumea. Au existat perioade foarte grele pentru departamentul de Patiserie, cu un volum mare de munca si fluctuatii de personal, insa Doamna Gogan povesteste cum "mama Rica" a fost mereu de incredere: "vedeam ca are lacrimi in ochi dar nu dadea bir cu fugitii, a stat mereu alaturi".

De cele mai multe ori, munca ei nu se termina la iesirea din hotel. Si acasa este extrem de solicitata de prieteni si cunostinte carora trebuie sa le pregateasca torturi si prajituri. O face insa cu drag, caci, dupa spusele ei, "mi-a placut mereu sa iasa ceva din mana mea".

Doamna Manea are o fiica de 29 de ani - Marinela Andreea - de care este foarte mandra, mai ales acum, ca ii va aduce un nepotel.

Ii dorim multa sanatate si putere de munca.

BEST EMPLOYEE - APRIL AURICA MANEA, PASTRY COOK

Ms Manea has been working in the Pastry department of Howard Johnson since the summer of 2005, but her experience in this field starts from 1978.

As Ms Elena Gogan, the department leader told me, "everybody in this department loves Mama Rica" for she is devoted to her work and she helps everyone.

There have also been rough times for the Pastry department, with great amounts of work load and personnel fluctuations, but Ms Gogan relates how "Mama Rica" was always supporting: "I saw her tearing eyes but she wouldn't leave, she was always there".

Most often, her work doesn't end when she leaves the hotel. Even at home, she is being asked for cakes and sweets by her friends and family, but she does this with pleasure, because, as she puts it, "I have always loved that something good come out from my hands". Ms Manea has a 29 year-old daughter - Marinela Andreea - whom she is very proud of, especially now, when she is expecting a baby.

We wish her great health and strength!

CEL MAI BUN MIDDLE MANAGER AL TRIMESTRULUI

VIORICA POSTELNICU, PAYROLL COORDINATOR

Doamna Postelnicu are ceva din intelepciunea si caldura omului care a vazut foarte multe si a trecut prin multe schimbari de cariera si de viata.

Lucreaza in turism inca din 1976, de la terminarea facultatii, iar hotelul Howard Johnson il cunoaste inca dinainte de "facere", de pe vremea cand hotelul Dorobanti apartinea de Hotel Ambasador.

Primul director general al hotelului, Antoni Kuhnen, ii spunea ca "a venit cu inventarul".

Povesteste cu nostalgie si umor despre "vremurile acelea" in care hotelul Dorobanti era renumit pentru ca "era central si avea parcare", avea si salon de manichiura si pedichiura, si chiar o autoservire pentru studenti, extrem de renumita, iar pe locul actualului restaurant Avalon se afla restaurantul Mon Jardin.

A vazut multe schimbari si restructurari in domeniul hotelier, a vazut generatiile de angajati trecand prin teste si traininguri pentru a se adapta noilor cerinte ale pietei industriei ospitaliere, iar dansa a trecut in timp de la departamentul de "Plan Economic" si "Personal" la departamentul de "Resurse Umane".

Daca ar fi sa faca alta meserie vreodata, si-ar alege ceva apropiat, ceva din domeniul stiintelor exacte, dansa fiind absolventa de statistica si o pasionata a cifrelor.

Munca pe care o face acum o pasioneaza insa foarte mult, nu ar renunta la ea.

Printre hobby-urile doamnei Postelnicu se numara animalele (are un motan pe nume Pufi si o pisicuta - "Zana" - pe care ii adora), muzica usoara (ii plac Freddy Mercury, Michael Bolton, Iris) si lectura.

Ii dorim multa sanatate si amintiri la fel de placute si de acum inainte.

BEST MIDDLE MANAGER OF THE QUARTER

VIORICA POSTELNICU, PAYROLL COORDINATOR

Ms. Postelnicu has something of the wisdom and the warmth of a person who has lived through many changes in life and also in career.

She has been working in the hospitality industry since 1976, when she had graduated from university.

She has known Howard Johnson Hotel even before it was here, from the time it was still Dorobanti Hotel, which was part of Ambassador Hotel.

The first General Manager of the hotel, Antoni Kuhnen, used to tease her that "she is coming together with the inventory".

She tells the stories "from those times" with humor and nostalgia, when Dorobanti Hotel was famous for its "central position and parking lot", when it also had a manicure and pedicure salon, even a very well known student's cafeteria, and when the Mon Jardin restaurant existed where the Avalon restaurant is now.

She has seen many changes and reorganizations in the hotel industry, she has seen generations of employees passing through tests and trainings, adapting themselves to the new market requirements in the hospitality industry. Ms. Postelnicu, in time, worked in the "Economic Planning"

Department, "Personnel", and "Human Resources" Department. If she were ever to change her profession, it would be related, something from the science area, Ms. Postelnicu being a graduate in statistics and having a passion for numbers. Her work at the moment means a lot to her and would not give it up.

Amongst her hobbies, Ms Postelnicu likes animals (she has a cat named Pufi and a kitty - "Zana" - which she adores), music (she likes Freddy Mercury, Michael Bolton, Iris) and reading.

We wish her good health and more pleasant memories to come!

Team Building

De ce teambuilding?

Teambuilding-ul inseamna transpunerea unor activitati si deprinderi din munca de zi cu zi

intr-un cadru relaxat si relaxant, in care primeaza jocul si buna dispozitie. Scopul unor asemenea activitati este acela de a-i determina pe participanti sa se cunoasca mai bine atat pe ei insisi cat si intre ei, astfel incat la intoarcere sa formeze o echipa mai solida, mai puternica.

Cand esti pus in fata unei provocari in cadrul programului de teambuilding, intri in actiune mai repede iar la sfarsit te simti mai multumit de munca pe care ai depus-o. De asemenea, teambuilding-ul iti ofera posibilitatea de a descoperi in colegii tai niste membri ai echipei pe care te poti baza oricand.

La ultimele teambuilding-uri organizate de Howard Johnson Grand Plaza la Hotelul Paltinis din Sinaia, in lunile martie si mai 2008, au participat colegii din departamentele Security, Purchasing, Accounting, IT, si Front Office.

Why Teambuilding?

Teambuilding refers to transforming day-to-day activities and tasks into a

relaxed environment, where games and good spirits come first. The purpose of these activities is to determine their participants to get to know themselves better, as well as each other, so that, when they come back, they would form a more solid and a more powerful team.

When you are confronted with a challenge during a teambuilding, you act upon it more rapidly, and in the end, you feel greater satisfaction for the work you have put in. The Teambuilding is also giving you the chance to find that your colleagues are real team members, on whom you can always rely on.

On our last Teambuildings, organized by Howard Johnson Grand Plaza at Paltinis Hotel in Sinaia, during the months of March and May 2008, our colleagues from the departments of Security, Purchasing, Accounting, IT, and Front Office have attended.
